

## **Maryland Bank & Trust selects ICI for Image Exchange Assistance**

**McLean, VA, February 5, 2008** - Maryland Bank & Trust has engaged ICI Consulting to assist with their Check Image Exchange Implementation Process.

“Maryland Bank & Trust will be implementing Check 21 Software and will be converting from a paper check clearing environment to image exchange. We retained ICI because we want to make sure that the conversion is a seamless endeavor without any surprises,” said Louise Czwartacki Vice President for Maryland Bank & Trust. “We have enjoyed a seven year relationship with ICI Consulting, who also did a fine job assisting us with our Core Processing, ATM and Image Archive projects,” added Louise Czwartacki.

“When converting to Check Image Exchange and especially Image Returns, there is a long list of things to do within the check and back office operations. ICI will assist in constructing a comprehensive Project Plan designed to ease the implementation process,” said Greg Schratwieser, ICI President and CEO. “Maryland Bank & Trust has been a wonderful partner to ICI for these many years.”

### **About ICI Consulting**

Since 1994, ICI has assisted financial institutions assess, cost justify, evaluate and implement check imaging (image archive, exchange, remote capture), Core Processing, Lockbox, Lending, Mobile Banking and Internet solutions. ICI has performed over 275 vendor evaluations for nearly 200 financial institutions.
