

ICI Appoints Kenneth Trice Partner, Senior Consultant

Accomplished Check Processing Advisor Joins ICI Consulting

McLean, VA, August 13, 2010- ICI (International Consulting, Inc.), a firm that provides financial institutions with online banking, back office, check and core processing consulting services, announced that Kenneth Trice has joined the firm as a Partner and Senior Consultant.

“For many Banks and Credit Unions, it has been years since they have examined their check processing costs and overall payment strategy. With his SVPCO, Bank of America and Fleet Bank experience, Kenny Trice will assist ICI clients in determining whether or not they should modify their check image exchange, archive, ACH or remote capture relationships. Kenny will also help clients implement leading edge technologies like mobile deposit / banking or teller capture,” said Greg Schratwieser, ICI President and CEO.

“Kenny will support FIs by surveying their check processing operation and examining recent vendor invoices. He will build ROI analyses and Strategic Recommendation Reports that will eliminate unnecessary costs and build action plans to maximize operational productivity and profitability in the check processing area,” added Greg Schratwieser.

Kenny Trice has over 34 years of Financial Industry experience which included being Chairman of the SVPCO Operations Committee, SVP and Correspondent Banking at Bank of America and Group Operations Manager at Fleet Bank. Kenny’s background and unique set of skills will enable him to consult with Payment Processing Operations throughout the U.S. and Canada.

“In this unsettled economic period, all Bank and Credit Union executives are looking for sound check and payment processing strategies that will reduce overall costs,” said Kenneth Trice. Over the past 17 years, ICI has maintained an impeccable service record amongst its 220 clients and is known for objective advice,” said Kenny Trice.

“I look forward to offering Check Processing Business Case, Strategic Planning, Vendor Evaluation and Implementation services to ICI’s new and existing clients. I am proud to add my resume to the current 300 years of financial experience at ICI Consulting,” added Kenny Trice.

About ICI Consulting

Since 1994, ICI has been a consulting firm that helps financial institutions assess, cost justify, evaluate and implement check imaging (image exchange, remote capture, float), core processing, lockbox, lending, branch and internet solutions.
