

ICI Hires H. Terrie Cloud, Senior Vice President

Accomplished Bank Consultant Joins ICI Consulting

McLean, VA, September 23, 2013- ICI (International Consulting, Inc.), a firm that provides financial institutions with core processing and ancillary systems consulting services, announced that H. Terrie Cloud has joined the firm as a Senior Vice President.

“Terrie Cloud comes to us with vast knowledge and experience that includes: core banking, project management, strategic planning, compliance and workflow studies to help Financial Institutions maximize their operational investment dollars.” said Greg Schratwieser, ICI President and CEO.

“Terrie will help our clients with core evaluation studies and building a project management practice to help our FI clients implement core solutions in the most efficient and cost effective manner possible,” added Greg Schratwieser.

Terrie Cloud has over 25 years of financial industry experience, which included developing systems for a super-regional bank, marketing core and online banking solutions and managing conversion teams. Terrie is also a regular speaker for state and national bank association entities on a variety of financial technology topics.

“I am extremely excited to get back to bank and credit union consulting and help ICI continue to provide the best objective advice to their 300+ clients. I hope to bring the next level of service by providing needed project management services to assist ICI clients implement solutions on time and within budget,” said Terrie Cloud.

“I look forward to offering core conversion, compliance workflow improvement recommendations and project management services to ICI’s new and existing clients. I am proud to add my experience and knowledge to the current 300 years of cumulative financial experience at ICI Consulting,” added Terrie Cloud.
