

## **Arizona FCU selects ICI for Branch Capture & Image Exchange Counsel**

**Mclean, VA, October 28, 2009** - Arizona FCU headquartered in Phoenix, AZ has hired ICI Consulting to Evaluate Branch Capture, Check Image Archive and Exchange Vendors. ICI is a consulting firm that provides financial institutions with core processing, check imaging and back office consulting services.

“In this economy, reducing our operating costs is imperative,” said Sonya Schraeder, Vice President and Controller. “Some check image exchange vendors have increased their clearing fees by a significant margin. ICI will assist us with the task of spotting the vendors that provide the best image exchange per item costs and float opportunities. ICI will also help us separate the average from the outstanding branch capture and image archive companies.”

“When evaluating the vendor alternatives, the desire is to partner with organizations that will not only survive this economic climate but effectively service their customer base and prosper for many years into the future,” said Greg Schratwieser, ICI President and CEO. “With dozens of branch capture, image exchange and check archive vendors on the market today, our consultants will objectively pinpoint the pros and cons of each vendor option.”

“Our consultants will help insure that Arizona FCU chooses the preeminent payment solutions at very competitive prices,” added Greg Schratwieser.
