

## **CDC Federal Credit Union selects ICI for Core Vendor Evaluation**

**McLean, VA, May 12, 2015** – CDC Federal Credit Union, headquartered in Atlanta, GA, announced that they have retained ICI Consulting to guide their evaluation of vendors and negotiate a new Core Processing contract. ICI is a consulting firm that assists banks and credit unions nationwide by providing core processing back office assessments, gap analyses, vendor evaluations and conversion services.

“CDC Federal Credit Union is defined by its commitment to exemplary service. Ensuring our members’ satisfaction and success is at the heart of everything we do,” said Australia Hoover, Executive Vice President of CDC Federal Credit Union. “We need a technology partner that will support our member-centric philosophy. We chose ICI as a consultant because they know the industry providers and their products, and we trust them to lead us to the right choice that will help us to maximize the return on our technology investment,” continued Hoover.

“Leading the evaluation of core processors and negotiating the best possible contract for our clients is what we do best,” said Greg Schratwieser, President and CEO of ICI. “We deeply appreciate the trust that CDC FCU has placed in us. Our team brings decades of relevant experience both from the vendor and financial institution perspectives, and that knowledge will guide CDC FCU to the core processing solution that allows them to meet their goals while focusing on the needs of their members ,” concluded Schratwieser.
