

St. Petersburg, FL, June 10, 2026: ICI Consulting, a nationwide leading bank and credit union core processing advisory firm, just announced that Scott Eungard joined the team as Senior Vice President. Scott brings more than 30 years of experience in credit union technology sales, business development, and relationship management. His extensive knowledge of core processing platforms, contract negotiations, and credit union operations has made him a trusted resource to executives navigating complex technology decisions.

“I am extremely excited to join ICI and look forward to leveraging my experience to help credit unions and financial institutions navigate critical technology decisions. My goal is to assist our clients in identifying strategic partners that support operational excellence, innovation, and exceptional service for their members and customers,” states Scott.

“As ICI continues to grow, we remain focused on attracting experienced professionals who share our commitment to client success. Scott’s extensive credit union background, industry relationships, and passion for helping financial institutions navigate complex technology decisions make him a natural fit for our team,” remarks Tracy Brewster, ICI’s CEO.

About Scott Eungard
