

**St. Petersburg, FL, March 25, 2022:** ICI Consulting, a bank and credit union core processing advisor, announced today that Jim Harras has joined the firm as Senior Vice President. Jim brings many years of Core Processing, Financial Institution, and leadership experience to ICI. Jim is an experienced professional with over 37 years in the financial services software industry, including Bankers Systems, InterCept, FIS and Fiserv.

“It is my honor and privilege to join ICI and the phenomenal team of tenured and distinguished industry professionals at this time of unprecedented growth. The ICI firm brings a valuable proposition to each client, providing a very well-managed end-to-end core evaluation and negotiation experience. In today’s changing technology environment, core processing product buying decisions are extremely complex and very expensive. We ensure that our clients select the right core platforms and related solutions to meet financial institutions’ specific goals and objectives,” said Jim.

“Jim Harras brings a wealth of knowledge and experience in the financial space and shares our passion for providing excellent service to clients,” said Greg Schratwieser, President and CEO of ICI. “We are delighted to have a Senior Vice President of his caliber join the company. Jim will apply his experience and insight to all ICI clients,” continued Schratwieser.

### **About Jim Harras**

Prior to joining ICI, Jim spent 11 years as a Relationship Manager at Fiserv. He has worked with a wide range of institutions formulating strategies, product solution decisions and contract negotiations, earning the trust of his clients along the way.
