

St. Petersburg, FL, November 19, 2025: ICI Consulting, a bank and credit union core processing advisor, announced Steven Rogers joined the firm as Senior Vice President. Steven brings more than 28 years of experience in financial services and banking technology, including 25 years with two of the industry's leading FinTech organizations, FIS and Fiserv. Known for his integrity, client-first mindset, and calm professionalism, Steven consistently builds strong, long-term relationships grounded in trust and results.

"Joining ICI Consulting at such an important time is truly exciting. With financial institutions across the country rethinking their core vendor strategies, the need for trusted expertise has never been more critical. I look forward to leveraging my experience in system evaluation, vendor selection, and contract negotiation to support our clients in building strong, long-term partnerships," said Steven.

"Steven's client-focused approach and deep understanding of the core vendor landscape make him an exceptional addition to the ICI team," remarked Doug Latore, CEO of ICI Consulting. "We are delighted to welcome a senior leader of his caliber and expect his contributions to meaningfully enhance the experience of both existing and prospective clients."

About Steven Rogers

Prior to joining ICI, Steven spent more than 17 years at FIS in multiple key positions, including Senior Renewal Manager as well as serving on the National Client Management Team. He worked closely with many banks nationwide to evaluate their technology environments, identify operational gaps, and develop strategic recommendations aligned with each institution's growth objectives. His consultative approach, industry knowledge, and steady leadership have made him a highly respected partner across the community banking market.
